

**The North Lambton Community Health Centre** is a community governed health centre serving identified priority populations in a defined catchment area. The Centre operates multiple sites in Ontario: **Forest, Kettle & Stony Point, Watford, and Sarnia**. Our interdisciplinary team of providers includes: physicians, nurse practitioners, registered nurses, social workers, health promoters, dietitians and physiotherapists.

## Physician Opportunities

The Physician will practice evidence-based medicine and utilize a holistic approach to client care, including acute curative care, promotion of healthy lifestyles and prevention of illness by involving the client in his/her diagnosis and treatment, and through sensitivity to non-medical problems and appropriate referrals both inside and outside the Centre. The Physician will also participate in case conferences and information sharing with other members of the multidisciplinary clinical team.

### **Qualifications:**

- Current CCFP certification, registration with CPSO and a member in good standing. Current CMPA coverage.
- Ability to work as a team member with nurse practitioners, nurses, social workers, health promotion staff and support staff.
- Strong health assessment and organization skills.
- Demonstrated ability to function independently and interdependently within a collaborative inter-professional team setting.
- Experience in addressing social determinants of health.
- Experience working in a rural or aboriginal community an asset.
- Proficiency in the use of computers and various software applications, including electronic clinical records.

Flexible hours of work are required. These positions include the Healthcare of Ontario Pension Plan.
