Hello!

Here are some important CHANGES to ICAN that we have made to ensure it is a safe place for everyone:

- Participant attendance and confirmation of a successful screening must be communicated with staff each program day, no later than **11:00AM**
- Personal belongings, electronics, supplies and equipment will not be permitted at program. We will supply everything needed to have fun!
- Children should come with a reusable/refillable water bottle that is labelled with their name. No other outside food will be permitted. We will be providing a yummy prepackaged snack for all participants.
- Please send you child(ren) with a mask!

Here are some things that have remained the same:

- If you have given your child permission to walk and it is indicated on their registration form, they may sign him or herself out. **Children will not be permitted to leave early unless prior consent has been given.**
- **Your child must be picked up by 5:30 pm.**
- Keep us updated on walking bus and/or pick-up changes.
- Please keep us updated with any concerns or changes with your children.

***Remember that outdoor boots are not permitted in the gym.**

BRING INDOOR SHOES IF POSSIBLE*

Check out and **LIKE the [Afterschool Program Facebook](#) page on North Lambton Community Health Centre** for our monthly calendars and newsletters. We will be posting any updated information about program (program cancellation, school closures, weather alerts) on this page!
